WHEREAS, on March 3, 2020, the County's Health Officer declared a local health emergency based on an imminent and proximate threat to public health from the introduction of a novel coronavirus (named "SARS-CoV-2" and causing a disease named "COVID-19") in Placer County;

WHEREAS, on March 9, 2020, the County Board of Supervisors ratified the County Health Officer's March 3, 2020 declaration of a local health emergency by adoption of Resolution No. 2020-034; and

WHEREAS, pursuant to Health and Safety Code section 101080, "the board of supervisors ..... shall review, at least every 30 days until the local health emergency is

terminated, the need for continuing the local health emergency and shall proclaim the termination of the local health emergency at the earliest possible date that conditions warrant the termination"; and

WHEREAS, in Resolution No. 2020-034, the Board of Supervisors delegated their authority to terminate the local health emergency to the County's Health Officer (Resolution No 2020-034, Paragraph 3); and

WHEREAS, on April, 7, 2020, April 21, 2020, May 5, 2020, May 11, 2020, May 26, 2020, and June 9, 2020, the Board of Supervisors conducted public reviews of the COVID-19 matter on its regular and special agendas and during those reviews considered the reports of the County Executive Officer and County Public Health Officer as well as comments from local health professionals, businesses, other public jurisdictions and the public; and

WHEREAS, Health and Safety Code section 101080 grants the legal authority to the Board of Supervisors to determine the need for continuing the local health emergency and the duty to proclaim the termination of the local health emergency at the earliest possible date that conditions warrant the termination; and

WHEREAS, the Board finds that conditions, as of the date of this resolution, do not warrant the termination of the local health emergency, but the prior delegation of authority to the Public Health Officer should be rescinded as the legal authority to terminate the local health emergency rests with the Board of Supervisors as the governing body of the county.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for Placer County does hereby determine and declare as follows:

Section 1. The Board deletes the following paragraph from Resolution No. 2020-034:

Section 2. The Board adopts the following new paragraph 3:

3. The Board of Supervisors, shall review as often as the Board deems appropriate but at least every 30 days the need for continuing the local health emergency through reports by the County Executive Officer and County Health Officer and shall proclaim the termination of the local health emergency at the earliest possible date that conditions warrant the termination.

Section 3. All other provisions of Resolution No. 2020-034 remain in effect.
